SCHOOLIFY ACADEMY | Programmatic Safeguarding Risk Assessment Tool

Mastercard Foundation EdTech Fellowship Morocco — Cohort 1

Risk Assessment							Risk Management		
1. What is the situation / event that creates the risk?	2. Who is at risk?	3. What are the risks?	4. What are the control measures currently in place?	Likelihood (1-3)	Impact (1-3)	Risk Level	6. What additional controls / actions to be put in place to mitigate the risk?	By whom?	By when?
Interactive online courses delivered through the Schoolify Academy platform, including educational videos, discussion forums, and assessment quizzes, targeting minors (aged 6-17) and female learners across Morocco.	Children and minors (6-17 years old); female students and young women; youth in vulnerable and remote areas.	Cyberbullying and online harassment; unauthorized digital contact between users; unmoderated group interactions; leakage of personal data and contact details; exposure to inappropriate content or comments.	Role-Based Access Control (RBAC); end-to-end TLS encryption; unique authenticated Student ID for platform access; no unmonitored direct student-to-student public messaging.	Medium (2/3)	High (3/3)	Medium (2/3)	• Mandatory digital parental consent form for learners under 18 prior to account activation. • Automated content filtering and chat moderation protocols. • Published Schoolify Child Protection & Safeguarding Code of Conduct with an anonymous incident-reporting channel. • Designation of a certified Schoolify Safeguarding Officer.	Schoolify Technical Team & Operations Lead	Month 1 (September 2026)
In-person training sessions held in partner institution classrooms, dedicated training centers, and intensive weekend learning bootcamps.	School students (6-17 years old); female participants; classroom facilitators and trainers.	Physical safety hazards on training premises; inappropriate conduct or abuse of authority by adult trainers/facilitators; exclusion of learners with disabilities due to inaccessible facilities.	Standardized, approved pedagogical curriculum; sessions held exclusively in registered partner schools or authorized centers; presence of at least two certified facilitators per session.	Low (1/3)	High (3/3)	Medium (2/3)	• Mandatory signing of the Schoolify Child Protection & Safeguarding Policy by all facilitators and trainers. • Strict enforcement of the 'Two-Adult Rule' (no solitary adult-minor interaction permitted). • Ensuring training rooms and restrooms are secure, well-lit, and accessible to persons with disabilities. • Clear emergency contact protocols and accessible feedback/complaint channels at all centers.	Schoolify Project Director & Pedagogical Team	Month 2 (October 2026)
Operation of Schoolify's Mobile Educational Caravans (Caravanes Pédagogiques Itinérantes): road transit between municipalities, transport of equipment (laptops, 4G connectivity kits), and field deployment in rural and semi-rural areas to bring the platform closer to learners.	Schoolify field staff and mobile facilitators; rural children and youth participants; local community members.	Road accidents during transit on rural routes; damage to or theft of IT equipment; exposure to adverse weather and terrain conditions; lack of adequate and safe sanitary facilities for female participants and staff at certain field sites.	Travel planned along paved national/regional roads; use of fully insured commercial vehicle rentals; accompaniment by a senior Schoolify field coordinator on every deployment.	Medium (2/3)	High (3/3)	High (3/3)	• Strict vehicle travel protocol limiting transit to daylight hours, with certified drivers only and GPS tracking on all vehicles. • Formal prior coordination and approval from local authorities (Caïdats) and municipal Youth Centers (Maisons de Jeunes). • Mandatory comprehensive transit insurance covering all IT hardware. • On-board field safety kit including a certified first-aid box, pre-verified emergency hospital contacts, and secure sanitary facilities at every destination.	Schoolify Operations & Logistics Team	Month 2-3 (October - November 2026)
On-site caravan community workshops, direct beneficiary registration, and platform	Rural children (6-17 years old); adolescent girls and	Photography or video recording of minors without written guardian consent;	Standardized beneficiary registration forms; visibly branded Schoolify staff	Medium (2/3)	High (3/3)	Medium (2/3)	• Formal written photo/video consent required from parents or guardians before any documentation of field activities.	Schoolify Field Coordinator & Safeguarding Lead	Month 3 (November 2026)

onboarding sessions conducted with rural children and their parents/guardians.	women; field animators.	cultural friction or resistance in conservative communities; overcrowding around shared laptops; exclusion of illiterate or highly vulnerable youth.	attire; prior coordination with local community associations.				• Mandatory presence of female Schoolify animators/facilitators on every caravan deployment to support female learners. • Structured scheduling of learners into timed cohorts of 15-20 to prevent overcrowding around mobile laptops. • Prior community engagement sessions with local elders and guardians to explain the project's educational purpose and build trust.
